

# Quick Reorder

## Reorder Your Printing Online

### Re-order Your Custom Printing Online Easily

Print reordering could not be easier or faster. PrintWow by Cheque Print offers a speedy and convenient way for clients to reorder their printing online any time - day or night, from any device. Using our popular Quick Form, all you need is your previous order # and some contact details. Yes, that's it! No credit card required at this time (though you can use one if you'd prefer). Just let us know if this is an exact repeat or if you require changes and a new proof. Our team will call to confirm your order and make sure all the details are correct, then start working on your order. Since all orders are queued in our system in the order in which they're placed, you'll receive your replacement order just as fast as you would by placing it over the phone or using our regular product ordering pages.

### Save Time, Increase Security

Our clients typically save up to 30 minutes when they reorder their business printing using our online Quick Form. Since most companies reorder every 4-6 months, this time can really add up. Additionally, since no financial or personal information is included on the form, it is much more secure than typical ordering processes. Our site does not require logins, so there are no passwords to remember. And, all your previous order details are printed on your receipts and included printed reorder form, so there is also no need to search for all your information to complete your reorder online.

### Reorder Custom Printing in Canada

We know it can be annoying to remember to order more printed items before you're running too low, so we also offer our customers a convenient reminder service. Be notified in 3, 6, or 12 months from the time of your order that you're due for a reorder so you never run out. If you have any questions about our many flexible reordering options please contact our friendly team, which is always happy to help.

"Many thanks to Cheque Print for all of the help and support after the flood in June, 2013. Not only were they quick to respond to our need for new cheques to replace the ones lost in the flood for the practice and three other companies, but they sent all those cheques by courier to our temporary offices, free of charge. To this day it still brings tears to my eyes to think about it. We will be forever indebted to Cheque Print for this true act of kindness."
